

WELCOME to the KBH
Brumbies Junior
Academy

KBH Brumbies Junior Academy

Our aim is to ensure ALL junior players have their **best** possible hockey **experience** and have the opportunity to reach their **full potential**.

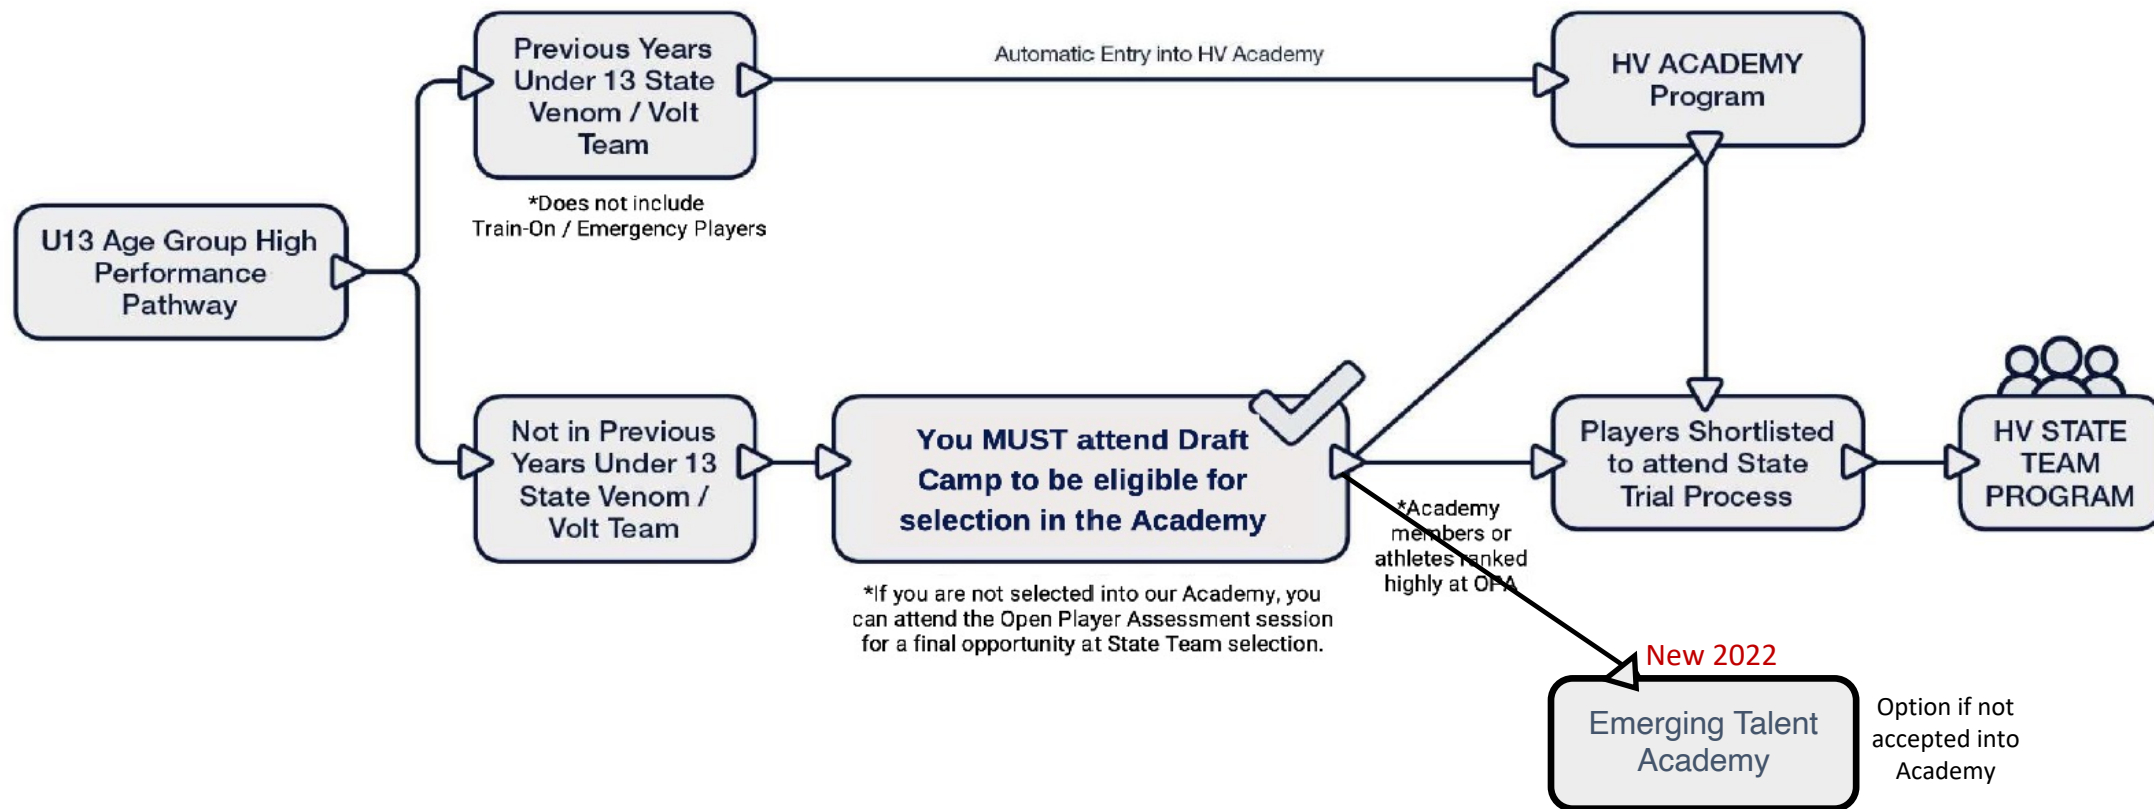

To achieve this, we will provide the opportunity for each player to learn the **basics** of hockey (skills and match play), to allow them to **enjoy** their hockey. For those aiming **higher** we will provide an **environment** and **access** to training and coaches that will **challenge** and **accelerate** their development.

We aim to create an **environment** where athletes have a **hunger** for improvement and desire to be their **best**.

KBH Brumbies Junior Academy

Draft Camp Athletes and Coaches

The numbers selected from Draft Camp will be dependent on the numbers of athletes who have accepted their position in the Hockey Victoria Academy from the automatic selection process.

Coaches include some of Victoria's top players, including current VIS scholarship holders, HC Melbourne players including where possible current and ex international players.

The Academy will be limited to a maximum of 44 Field Players and 6 Goal Keepers (both girls & boys). Players selected into the Academy will be notified by email shortly following the Draft Camp.

Athletes that do not progress through to the Academy, will be given some key focus areas to develop for next time. No individual feedback will be given.

Goal Keepers will get the opportunity to receive specialist training from our Goal Keeper coaches, as well as participating in some of the drills and match play with the Field Players. Like the Field Players, the Draft Camp is also an opportunity for Goal Keepers to be considered for selection into the Academy.
